ADVERTISING STANDARDS

Today's workplaces expect a high standard of conduct and ECN treats the tone of the creative displayed on our network seriously. Below are some guidelines as to what ECN will not accept:

- Images which may be considered discriminatory on any grounds, including race, ethnicity, nationality, sex, age, sexual preference, religion, disability or political belief.
- Violence in any visual form.
- Any use of strong or obscene language which is inappropriate for a broad audience.
- Images which may contravene prevailing community standards about health and safety. For example, images cannot show drug use.
